

UK Mobility & Physical AI Innovation Day

25th June, 2026

Manufacturing Technology Centre
13:00 - 18:00 BST

Address

Ansty Park, Pilot Way
Coventry, CV7 9JU

You're invited to the UK Mobility & Physical AI Innovation Day 2026!

Join **Plug and Play** and the **Manufacturing Technology Centre (MTC)** for an exclusive showcase of the technologies shaping the next decade of the UK industrial strategy. We're bringing together the brightest innovators in **Physical AI, Energy,** and **Advanced Manufacturing** to explore how these breakthroughs are transforming the future of **Mobility, Aerospace, Defence,** and more.

What to Expect:

- Engage with **250+ Board-level executives** and senior stakeholders from leading global OEMs
- Gain insight into **global trends & technological shifts** transforming Mobility & Physical AI
- Explore new innovation strategies and **partnership opportunities** with cutting-edge startups

Tickets are limited — secure your place now!
